

**Going Beyond Travel Travel Trip Itinerary  
For A Kenosha Christmas  
December 5 – 7, 2008**

**Friday, December 5** – We leave Milwaukee mid afternoon. A quick stop is planned at our hotel, the Best Western Executive Hotel (262-857-7699) to unload our bags and freshen up before dinner. We will arrive at **Carthage College for the Christmas Festival** by 5 PM for a buffet dinner . Following dinner we will enjoy the Festival of Readings and Carols following the age old tradition of readings leading up to the birth of Jesus and choral and instrumental music.

**Saturday, December 6** – After a hot breakfast at the hotel, we begin our Holiday activities: stop at UW Parkside for the **Art and Craft fair**, see the **Gallery of Trees** and a beautifully decorated **Durkee Mansion**, take in the unique **Holiday Sculptures** in the Niemi Sculpture Garden and Walk, enjoy the **Model train display** and **International Holiday festival** with ethnic food and live music a the Kenosha Public Museum. Finish off the afternoon with the **Kenosha Tree Lighting Ceremony** at Harbor Park.

We return to the hotel for an evening of relaxing at the pool, hot tub or in your room and a pizza party!

**Sunday, December 7-** Sleep in and keep your hearty appetite for **Breakfast with Santa!** The lobby will be decorated to look like Santa's workshop and the jolly ol' fellow will be waiting to take pictures. After the breakfast, we will see the show "**Surfside Santa**". This cleverly written show will entertain us as we take a look at Santa on vacation in Hawaii!

We will stop for a snack/treat after the show and return to the Milwaukee area around 4 PM.

Sites and attractions subject to change based on weather and availability. Some flexibility is built into the trip to maximize input from all vacationers. We will provide the most excitement possible on each trip.
